2010 Tour of Washington County Presented by:

Washington County Convention & Visitors Bureau and Michelob Ultra

We are just a couple of days away from the start of the **2010 Tour of Washington County, presented by Washington County Convention & Visitors Bureau and Michelob Ultra**. This four stage Tour De France style cycling event is scheduled to take place on June 19th and 20th, with the first stage consisting of a 4.5 mile prologue time trial, which will take place on the rolling roads just west of Smithsburg High School.

The prologue (pro-log) is a specialized event that is used to establish a race leader, prior to entering in to the longer road stages. AVC is reserving this year's prologue stage for our elite athletes, while all other racers will compete in an initial road race which will take place in Smithsburg, MD.

Sunday's stages will consist of a 10 mile individual time trial on route 67 in Boonsboro, MD and the final stage is a short course road event that will take place in downtown Williamsport, MD.

This inaugural race drew over 350 participants in 2008 and there are more than 350 participants that have pre-registered, and some categories are filled.

The Holiday Inn Express will represent race headquarters and many athletes have booked their rooms at this location, and with other local hotels. Spectators are encouraged to come out to Smithsburg High School which is where the racers will be staging for the road events. Sunday's road stages in Williamsport will start at 11:00 am and the start and finish is at the post office.
